Jermaine Jackson Vidclip To Screen At Film Houses

Jermaine Jackson's "Dynamite" vidclip will be screened before the feature at Mann's Chinese in Hollywood and the Bruin in Westwood today through Sunday, coinciding with the first three nights of the Jackson's Dodger Stadium stand.

Clip, in 35m, four-channel Dolby sound, is being distribbed to theaters by Gotham-based Music Motions under its "Music Zap" banner. Some 100 theaters nationwide are showing the clip.
